

The screenshot shows the USOCR application window. At the top, there are buttons for "Open", "Browse", "Queue", and "Clear". Below these, the "DB:" dropdown is set to "USOCR". To the right, there are two checked checkboxes: "Print" and "Highlight all full terms exactly". The "Default operator:" field contains the text "OR". The main area displays a scanned document with a highlighted section containing the text: "badge with (slide or sliding or slidable or retracted or retract or retracting)". At the bottom, there are icons and labels for "BRS form", "BAR form", "Image", "Text", and "HTML".
